By Ewan McColl

1

*I met my love by the gas works wall
Dreamed a dream by the old canal
I kissed my girl by the factory wall
Dirty old town, dirty old town.*

2

*Clouds a drifting across the moon
Cats a prowling on their beat
Spring's a girl from the street at night
Dirty old town, dirty old town.*

3

*I heard a siren from the docks
Saw a train set the night on fire
Smelled the spring on the smoky wind
Dirty old town, dirty old town.*

4

*I'm going to make me a good sharp axe
Shining steel tempered in the fire
Will chop you down like an old dead tree
Dirty old town, dirty old town.*

5

*I met my love by the gas works wall
Dreamed a dream by the old canal
I kissed my girl by the factory wall
Dirty old town, dirty old town
It's dirty old town, dirty old town*
